Both STEM and sports teach us
how to solve problems, work as a
team, and keep moving forward —
because true growth happens
when we engage both mind and
body!

STEAM & Sports

#SteamSports

Objectives

1. Provide equitable learning opportunities to a diverse group of students, including those traditionally underrepresented in STEAM fields, by leveraging the widespread appeal of sports.
2. Encourage teachers to explore the intersections between STEAM subjects and sports.
3. Increase student interest and engagement in STEAM subjects.
4. Inspire creativity and innovation in students by engaging them in hands-on, project-based learning experiences.
5. Equip students with critical thinking, problem-solving, and interdisciplinary skills necessary for success in the future workforce.
