On April 28, 2026, Branko Radičević Primary School participated in the 13th Youth Sports Games. At this event, our school presented the sports activities carried out within our institution, while also promoting the Erasmus+ STEM & Sports Project. We displayed posters and flyers introducing and promoting our project.

We also had the opportunity to take photos with Borislava Perić Ranković, Paralympic table tennis player, Zoran Gajić, Minister of Sports, and Tanja Medved, who is currently the City Secretary for Sports. Photos from the event can also be seen on the Instagram profile Instagram Sports and Youth Activities in Novi Sad ([sport_omladina.ns](https://www.instagram.com/sport_omladina_ns)) and on the profile of the Ministry of Sports of the Government of Serbia ([ministarstvoportasrbije](https://www.ministarstvoportasrbije.rs)). As a token of appreciation, we presented them with bags, toiletry pouches, and notebooks featuring the logo of our project.
